Zittles:

Paperbacne:

Oppozits:

"Zittles" are brand new words for the same old bummers—acne pimples. What can you do about them? Launch a major Zitskrieg with the unbeatable medicine in Oxy 10®, Oxy 10® Cover, Oxy 5® and Oxy 10® Wash. They all contain a potent measure of benzoyl peroxide, the very stuff that brought acne medicine out of the Dark Ages.

In fact, to kill acne bacteria and help prevent new pimples from forming, there's nothing stronger you can buy without a prescription.

Next question: How clean can you get your skin? You know all those little embedded blackheads that like to call your nose home? Oxy Clean® softens them up—helps send them floating down the drain.

Oxy Clean Medicated Pads, Cleanser, Soap and Scrub lift away dirt and oil so well you can actually prevent new pimples from starting in the first place.

So, if you're hiding your Paperbacne behind this magazine, get Oxy and get your face ready to face the world.

OXY Because zits are no laughing matter.

BODY BUILDER

Maybe it's a truck body. Maybe a racing car body. But whatever model you're building, you want it to look the best. That means putting in a ton of care and concentration. And paying particular attention to the details.

And when it comes to details, no [illegible] out-muscles MPC. Details are MPC's strength. You see, MPC special effort is given to insure that every car or truck is 100% authentic.

Whether it's an old model or a new one. A Classic Muscle Car or any of the newest '87 American High Performance Cars, MPC's got a model kit you can wrestle with.

So if it's a great body you want to show off, get an MPC Model Kit.

Just like the real thing. Only smaller.

Marvel freelance credits (present): Pencils/inks *MUPPET BABIES* — inks on *ALF* — pencil/ink on an upcoming *THUNDERCATS* — coloring all kinds of stuff.
My hobbies are: Tap dancing.
The single work of which I am most proud is: A secret.
My pet peeves are: Ugly behavior — N.Y. subways — Mayor Koch.
My place of birth is: Oceanside, Long Island, N.Y.
My greatest accomplishment outside the comics field is: Looking like a nun.
My oddest habit is: Nuns don't have *odd* habits — they have *old* habits — sometimes funny looking habits — lately no habits at all — and besides it's none of your business.
If they were making a movie of my life, I'd like to see my part played by: Mary Astor, but she died — so I'd settle for Michael Jackson.
The reason I got into comics was: I was too chubby for the Radio City Rockettes.
People who knew me in High School thought I was: Delightful.
My favorite performers are: The Kuklapolitan Players — the Jim Henson people — the Rockettes and Michael Jackson.
The last good book I read was: *THE NATURAL HISTORY OF NONSENSE* — Evans.
The last good movie I saw was: *BABY BOOM.*
The biggest influences on my work include: Past exposure to good children's books, past overexposure to movies — present underexposure to TV.
My greatest unfulfilled ambition in the comics field is: To play spoons on Ralph Macchio's head.
The worst part of my job is: Erasing.
When nobody's looking I like to: Look at people.
The one thing I want the world to know about me is: To know me is to love me.

Dear STAR,

I have mailed in a subscription for twelve CARE BEARS comic book issues. My favorite Care Bear is Friend Bear. My best friend likes Swift Heart Rabbit. Her name is Yuara Amahd.

I hope you keep making issues! I especially liked #12 ("The Magic Paint"). I liked the idea of a neglected artist who finally gets a good word from the art critics, thanks to the Care Bears!

Judy DeFrieze
East Moline, IL

Thanks, Judy! And don't worry, we will keep making issues. Wouldn't want your future to be un-bear-able!

Dear STAR,

I'm eight years old and love to read, especially CARE BEARS and MUPPET BABIES comics. I've read the issues I have over and over again. But I'm still excited about getting more and more. I have one brother, Sean, who is eleven years old and he reads MARVEL Comics — G.I. Joe and THE TRANSFORMERS.

I think I'm probably one of your biggest fans. (I even read the letters in the back.) I'm never going to throw away or do anything like that to comics because I know I'll never give up reading comics!

Kelly Johnston
Fairburn, GA

Nice to hear from you, Kelly! And remember, when it comes to reading, comics are just a start! There are other worlds of exciting adventure waiting for you, too, in the books at your local library. Ask your parents or teacher to show you!

Dear STAR,

I love CARE BEARS comic books. My favorite Care Bear is Funshine Bear.

I am nine years old and going into fourth grade.

I just read CARE BEARS #12. I wish I had magic paint!

Jenny Farley
Rockville, MD

So do our artists!

Dear CARE BEARS,

I am ten years old, and I love CARE BEARS!! They always cheer me up when I'm down. I have six of them and two Care Bear Cousins. I have a Care Bear for almost every mood I'm in. I love your comics because you make them so real, I feel they can almost talk!

I just recently ordered a subscription to the CARE BEARS, so I only have two issues. But I want to thank you for putting in the Care Bears' secret weapon, the Care Bear STARE! I think it's great!

One more thing — will you please put the MADBALLS and CARE BEARS together again soon? I think they're really neat!

Lisa O'Donnell
Bloomfield Hills, MI

That adventure bounced (and slimed!) its way into a lot of people's hearts, Lisa. Will the Care Bears meet the Madballs again? It's up to all of you reading this! Write in and let us know!

(In the meantime, if you can't bear waiting for a sequel . . . try reading the MADBALLS' own hilarious comic! It's on sale every other month, by subscription, or on your newsstand.)

Dear CARE BEARS,

I am five years old. My favorite Care Bear Cousin is Gentle Heart Lamb.

I liked "The Magic Paint" story in CARE BEARS #12, especially when all the little monsters came out.

I love CARE BEARS!

Cara Best
Snyder, TX

Imagine what would happen if we printed our comics with magic paint! (And what if it were another CARE BEARS-MADBALLS team-up?!? Hooboy!! Maybe we'll just stick with regular ink for awhile!)

Dear CARE BEARS,

I have a *serious* problem on my hands. There is a girl in my class that nobody cares for except me!

One day in art class, our teacher passed out markers so everyone could use them. The other kids told me not to use them because this girl had. I said just because they don't like her, doesn't mean I don't have to! Later, I told my mom about it and she said it takes a very big person to say what I did.

I asked my mom if she knew of any other things I could do to get this girl to like me. She said I should ask you to see if you could think of anything.

Would you send my friend to Care-A-Lot one night while she is sleeping and dreaming? Just for a few minutes to show how much *I care* for her? And would you take me there, too? By the way, we both live in West Germany.

Heather Violet Eichholz
West Germany

Heather, you've already brought a bit of Care-A-Lot to your new friend — and yourself . . . because you've shown you care! We've a hunch that if you show your friend this letter, and tell her how much fun caring can be, you'll be helping her more than any dream ever could!

Dear STAR,

I really like CARE BEARS. I have been reading STAR Comics since I was eight years old. Do you think that you could make a comic with Cheer Bear as the hero?

Keep up the good work!

Deidre Gracey
Toronto, Ontario
Canada

When everyone reading CARE BEARS in the stores has a big, cheery smile on his or her face, Deidre, you'll know it's happened!

Dear CARE BEARS,

Please, *please*, PLEASE!! Make more CARE BEARS comics! Can't you make them come out more often than once a month? I really love the stories — I even tell them to my Care Bears dolls. Sunshine Bear and Grumpy Bear.

My name is Janet and I'm eleven years old. Please try to make CARE BEARS come out more often because I'm sure lots of people feel just like me.

Janet Rickman
Decatur, GA

Lots of people do, Janet! That's why we take our best CARE BEARS stories and reprint them in STAR COMICS MAGAZINE! So, if you've missed any of the exciting, past CARE BEARS adventures (or the adventures of any other STAR characters, for that matter), take a look!

And have you noticed? Instead of one long story in each issue, we now do lots of shorter ones! So, if you haven't heard Grumpy Bear complain much lately, it's probably 'cause he's out of breath from all those extra adventures!

If you know these colors, you already know how to play.

Kids, learning to play a Casio *MUPPETS* Keyboard is as easy as telling one color from another. No kidding.

With the EP-10 *BABY KERMIT* keyboard, you simply match the colors below the keys with the colors in its own music book. It's that easy. You get four preset sounds to play with—piano, flute, violin and fantasy. And then built-in rhythms with a tempo control to help you keep time. It even has a built-in tune to show you what it can do.

Our EP-20 *MUPPETS* keyboard —the one with *Kermit the Frog* and *Miss Piggy* on it—has a special Melody Guide that leads your fingers across the keys with flashing lights. You'll love the tunes—they're some of the *Muppets'* greatest hits. And you'll be able to play them using eight instrument sounds and 12 auto rhythms.

If you know the difference between red and green or blue and yellow, you already know how to play. And just as sure as *Kermit* is an adorable green frog, you know you're going to have fun.
